Things we almost did to save the Picaro

- >Replace the entire staff with supermodel types—who wouldn't fund a group of beautiful people?
- >Sell subliminal advertising through drop caps
- >Have a hunger strike
- >Ask people for money to pay Brad to keep his clothes on
- >Get a second job.

Man on the Mount

The Mount's Most Wanted

Having no money meant the Picaro had to cut back in every area--including Man on the Mount. The following hotties didn't make it as Man on the Mount. Had the Picaro been funded we believe that they would have been on board, but they say otherwise. These rejected men on the mount speak out:

The Picaro didn't review any of my movies this year. Why should I do anything for them?

I didn't want to be a Man on the Mount because Mount Saint Vincent is too conservative for me.

I thought that being associated with a poor media outlet would hurt my chances at the Oscars.

If it's not good enough for Ben then it's not good enough for me.
