THE REFERENDUM IN BRIEF...

A MORE EQUITABLE FEE STRUCTURE:			REVISED CONSTITUTION:	CAPITAL CAMPAIGN:
<p>This year the Student Council is recommending a restructuring of the Student Union Fees. Since 1979/80 there has been a wide variation in the amount of money each student pays for the operation of their Union. For example, this year if you were a student taking three (3) credits you paid \$ 6.00 into the Union, but if you happened to be taking three and one half (3</p>			<p>The Constitution Committee has worked to create a more concise and much clearer constitution.</p>	<p>The Student Council has been working with the Administration to establish a student contribution to the "Learning and Leading" capital campaign.</p>
<p>1/2) you would pay \$100.00. This hardly seems fair. Each year the Student Council ends up trying to stretch the finances over the entire student body and serve all needs, however, because of the existing fee structure it is impossible.</p>	<p>The proposed new fee structure pro rates the Student Union Fee on a per credit bases thus ensuring that all student are treated fairly and equally.</p>	<p>We propose that each student contribute \$3.00 per credit. These funds will go directly into the purchasing of computer equipment and library holdings. Council feels that these two areas are of upmost importance wholeheartedly support the efforts of the University to aquire funds for the benefit of all Mount students.</p>

CHILDCARE:

CAN 'WE' AFFORD IT ?

How I Spent My Long
Weekend . . .

After going through several hundred needs surveys over the Thanksgiving weekend and dealing with hundreds of statistics I decided I should respond to some of the questions and comments that were raised.

It seems that a lot of students don't realize the difficulties encountered in finding quality and most importantly **AFFORDABLE** child care. There are approximately 154 child care spaces available in the Halifax-Dartmouth area for infants aged 3 months - 18 months. . . not a lot is it? For the older child (18 months -

5 years) the picture is a little brighter, but the waiting list can be anywhere from 14 months to 2 years, and if you need a subsidized position it is even worse. One M.S.V.U. student registered her child at child cares throughout the area when she was 5 months pregnant - her son is now thirteen months old with no sign of an affordable licensed child care in sight until next year! So what does she do. . . She uses S.P.A.C.C. (Student Parents Allied For Child Care). If you don't know what that is it is a temporary babysitting service set up for students by

students in SAC 442, drop in some time.

As for the child study center on campus you ask why students do not use it? The cost is the number one reason. . . Most child care facilities charge on average (without Government subsidy) is approximately 70 to 75 dollars per week. . . The child study center, however, is one of the most expensive in the area and charges the exorbitant fee of 91 dollars per week!! Now do you wonder why students don't use it? How many students do you know that can afford that?

As for being able to claim child care expenses on your student aid forms. . . sorry! If you look closely you will also see that no verification is required - what does this mean? This means that you can claim all the child care expenses you want but they don't reimburse you for it - for example: put yourself in this position - you are married or a single parent who just happens to be a student also, you have the additional expense of child care which can range from \$300.-\$3,000. per year. You will receive the same amount of loan and bursary that a single

student living at home does... does this seem fair to you?

I was pleased with the response I received from the Mount students who participated in the survey and welcomed the comments, suggestions, recommendations and questions given me. You will no doubt be hearing from me in future articles in the Picaro as I am not about to give up on the idea of an affordable child care facility on this campus.

MEET THE CANDIDATES

Hi, my name is Mike Isenor, and I'm running for the position of Part-time student rep in the upcoming elections. Although I've been attending the Mount since '86, this is the first time I've actually taken an active part in the workings of campus life. I'm 26 years old, am married to a fellow Mount student and we have a 5 year old daughter - I am fully aware of the problems and hassles that occur on a daily basis for any student, never mind one that is a parent/employee/spouse. Perhaps one of the main reasons for my running for this position, is the fact that nobody has run for Part-time student rep in a number of years - it has remained vacant. I'm not, in any way, criticizing my predecessors; I am merely pointing out that it is about time the part-time students took a more active role in what goes on at the Mount. With over 40% of the Mount students being Part-time, surely we can make some kind of a difference. We all have complaints, issues and problems that we would like seen to, but how often does a Part-time student do something about them . . . how many of you paid the full \$65 parking fee this year, how many of you have attempted to purchase a student bus pass (and if you are over 25 . . . forget it!), how many of you are in dire need of affordable on campus daycare, how many of you are stuck in the Part-time student loan dilemma (if you are, you know what I mean!), who knows what M.A.N.U.S. stands for, how many people know what S.P.A.C.C. stands for (how many people are sick of cute acronyms) . . . these are but a few of the problems that need to be dealt with. Don't get me wrong! I'm not even going to attempt to save the world (at least not this year!), but I am going to put up a fight . . . and if you're with me, vote YES to Mike Isenor as Part-time student rep!!!

MIKE ISENOT

KATHY ROBERTS, 4th year BPR co-op student, is running for Public Relations Representative on Student Council. Kathy, an active student in the Mount community, brings with her experience from committees such as MSA, SOC, PR Communications Committee and as Co-op Society Treasurer.

RHONDA BURSEY

Hi! My name is Rhonda Bursey and I'm from Evaristus Hall. I'm running for residence representative for Student Union. This position requires time and energy which I'm quite ready to fulfill. Being a student at the Mount involves excitement, great times, and problems. Problems is the issue we want to face head-on. As a student in residence, if I were to win, I would want to know any problems you had with residence or anything related to residence in order to present them to Student Union to see exactly what we can do to solve them. If you want to see your problems solved, bring them to me, VOTE RHONDA BURSEY, EVARISTUS 319, FOR STUDENT UNION RESIDENCE REPRESENTATIVE!!

My name is Lee White and I am running for Arts Rep. I am a history major in my third year and I am running for council because I believe people in the Arts program need capable representation. Although I have never held a council position before, I am confident I can do a better job than any of my opponents.

"Who are these people bopping around Vinnie's Lounge with identical shirts?", Vinnie's many customers ask. They are the Vinnie's Party Patrol, the entertainment committee for the university lounge here at the Mount. They are here to make Vinnie's the most popular campus lounge in Halifax, and so far it has worked with tremendous success. The Patrol is bursting with ideas and is ready to pack Vinnie's every night.

MIKE WOODS is a well known solo performer on the college and university circuit across Canada and he has performed at more than 150 campuses for the 1988-89 school term. Mike is winning the acclaim of audiences and the praise of critics from coast to coast. Mike plays acoustic six string guitar, harmonica, and has a strong, appealing voice. Some label Mike a "folkie", "folk/rocker" or "pop", but whatever the category, his infectious energy and dynamic performance won him "BEST CONTEMPORARY NON-RECORDING ARTIST OF THE YEAR" for 1987/88 and "ENTERTAINER OF THE YEAR" for 1986/87 on the National Campus Circuit.

Widely acknowledged as the most entertaining and energetic solo performer on the Canadian campus circuit is one of the reasons that Mike Woods has again been nominated for "ENTERTAINER OF THE YEAR" for 1988/89.
