

PIPER '70

Piper

1970

Ah! the Piper sang,
And his notes they rang,
On the wind and the rush of the sea.

And he called-- come here,
Please gather near,
And I shall impart to thee --
My knowledge of love,
My dreams of above,
My joys, my smiles, and my heart.

Yes, come gather 'round,
Join with my sound,
And take me with thee when we part.

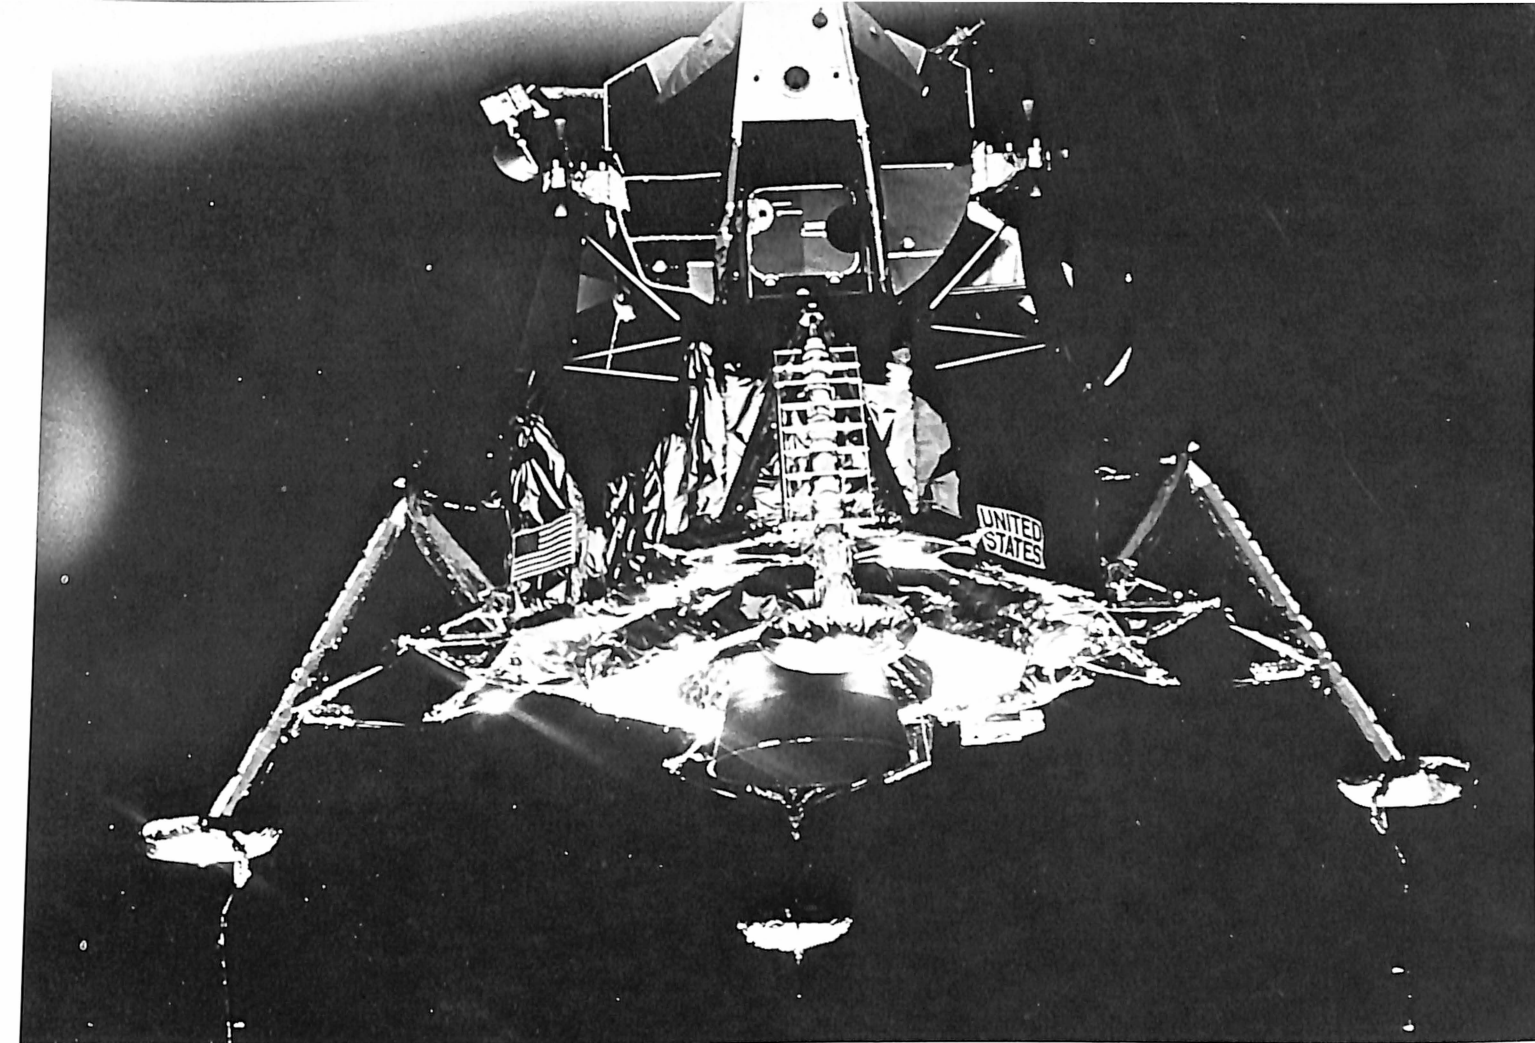

Demar

In this the, "year of the moon", 1969-70 we dedicate our yearbook to three men who are very much a product, just as we are, of an age unsurpassed in nearly every way since the beginning of recorded history.

The men of Apollo 11, Neil A. Armstrong, and Edwin E. Aldrin walked on the earth's moon as Micheal Collins controlled their link with earth. We were "there" with them in our minds and prayers. We too are the product of a combined history and future.

Yes, we now have more "dreams of above" than anyone previously dared to imagine. Knowledge is becoming more sophisticated every minute as man uses machines and computers to enable him to bridge our age with a once unimaginable future.

Our world is marred by war and hatred, and a quest for peace and love all at once. We are sure of the right course to take but are uncertain of how to obtain it. The "knowledge of love" is too little in two few and "...joys...smiles and..." peace are goals sought by all of us as we learn to become part of a world that is now ours, both good and bad. If we have the courage and knowledge to take it and make it a better place in which to live, then our years of learning have not been in vain.

These men so deserving of praise, went to the moon in peace, for the good of peace and looked on our world and called it, "the good earth". We too must see our world, our future, as good and peaceful. We must take our knowledge when we part and teach others the meaning of loving and the need for peace.

We had in Mr. Patrick Reynolds,
past vice-president of the Mount
Guild, a man who put in practice
the ideals to which we have
dedicated this book.

In September, 1969, death
took him away from us. However,
he will not easily leave our
memory. His charming wit and
humour will remain with us, and
our language laboratory, which his
efforts helped make a reality, will
be for us a remembrance of him.
We think it fitting to dedicate
this Piper of the Year of the
Moon to his memory, in
love and sincere gratitude.

The hardworking group of girls under the supervision of Sister Noreen Cleary managed to achieve their goal: to produce the best newspapers ever put out at Mount Saint Vincent Academy.

Marie Cameron, the editor, seems to be the most energetic Mount girl, if merit is to be given for the time spent in work.

Reach For The Top

Barb Franks, Mary-Frances MacIntyre,

Louise Vaughan, Margaret LaRoque

Joy Mannette ad. Sr. Marion Vincent

With Sister Marion Vincent guiding, the "Reach for the Top" team worked hard to compete for their first game against Saint Pat's High.

Science Club

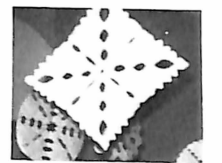

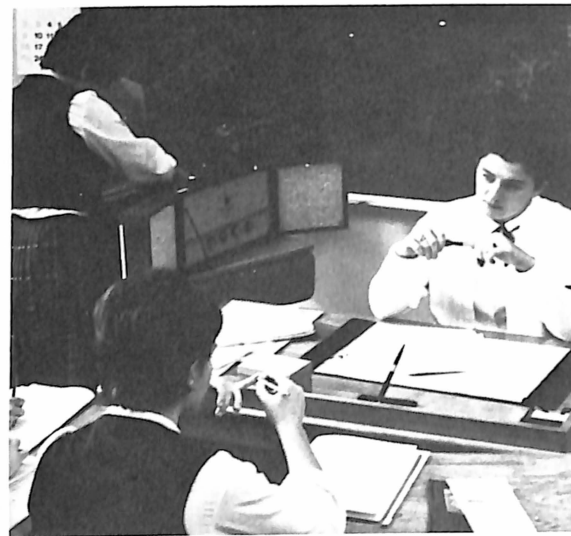

The Science Club was begun in the early part of this year. Its members are from Grades 9 and 10 (the more scientifically minded). The meetings were held in the Audio Visual Room whenever the girls felt the need for discussing scientific matters.

The executive of this club: Anita Fineburg, President; Cathy Thibeault, Vice-President; and Joanne MacLeod, Secretary.

Other members of the club are as follows:

Sheila Sim, Sherry Dooks, Kerry Rowland, Carol Ann Dumphy, Lindita Stanbury, Leslie Watson, Jennifer Murwin, Debbie Burnett, Rosemary Coutts, Bea Kent, Wendy Roos.

Mission Club

Sister Clare Marie, E. Burns, R. Roditi, B. Kent, C. Noah, L. Boucher, L. Connor. Also. S. Palmer, N. Matchett, D. Edwards, though not in this photo, represented their classes on the mission committee this year.

Liturgical Committee

Sister. Lorraine d'Entremont, D. Radmore, B. Boucher, E. Bidgood, E. M. Matheson, Dunia Reyes (President). Absent are V. Bortolin, M. Thomas, P. Sears and S. Howatt who also served on the Liturgical Committee this year.

These enthusiastic students read such books as "Brave New World" by Huxley and "Catcher In the Rye" by Salinger and then they combine their ideas about the books in a general discussion. They seem to get a lot out of it and enjoy it quite a bit.

United Nations

STANDING: Mary McDade (Vice-President), Jean Carswell (Treasurer), Ann Marie Sankersingh (Secretary) and Eileen Martin (President)

The United Nations Club has done the following:

CAKE SALES-- Cakes made to represent flags of the UN countries. These cakes were raffled off and the proceeds went for the postage of overseas books.

UNITED NATIONS MODEL ASSEMBLY-- We had five delegations: Brazil, Cuba, Ethiopia, Ireland, and India. We are very proud of our girls and the good job they did.

HOT DOG AND PUNCH SALE-- This sale was to aid in paying for the United Nations Model Assembly.

PACKING BOOKS-- Our girls also went out on every other Friday night to help pack text books for the people overseas.

The meetings were held every second Tuesday afternoon in the Study Hall. We are sure a great deal was accomplished by this industrious group.

BOARDERS' COUNCIL

STANDING: A. Boudreau, J. Burchell, secretary, J. Allan SITTING: M. LaRoque, D. Moore, president, T. Callahan.

YCS

STANDING: L. Vaughan, R. De Gannes, SITTING: E. Hartigan, Sister Doris Coveney, moderator, J. Burchell.

Sweater Committee

STANDING: Rune Mussett, Cindy Wright, Reta Barr, Jean Carswell SITTING: Jean Taylor, Shelley Lawrence, Denise Arcand.

The task of these girls is to decide who merits a Mount sweater, which is awarded on the basis of points gained for participation in extra-curricular activities. Students must apply for a sweater. Following an individual's application, four girls make an inquiry of the various club moderators to see how many points an individual deserves. When a sweater applicant's points total 120, the deserving girl is awarded a sweater, which she may wear instead of the uniform weskit or blazer on Fridays.

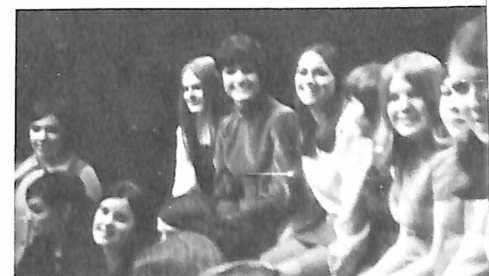

Sports, U.N. club, class participation - winning points.

Glee Club

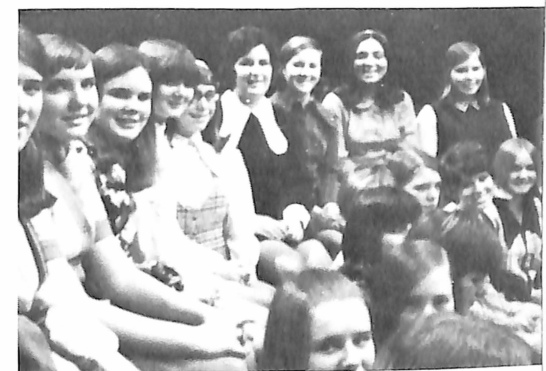

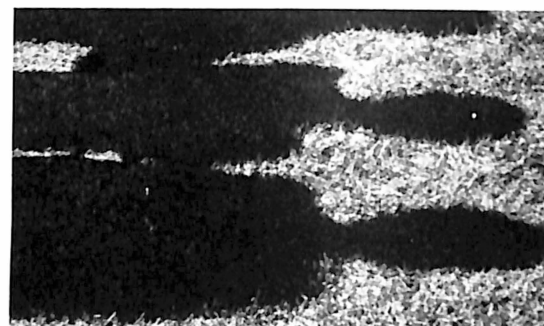

R. Mussett, M. Jollimore, D. Dempsey, D. Moore, D. Tate, L. Stanbury, S. Brenton, L. Lockhart, J. Mannette, R. deGannes, J. Murwin, D. Martin, G. Miller, G. Godden, C. Nichols, R. Pritchard, W. MISSING: V. Bortolin, R. Keating, R. Roditi, C. Wright.

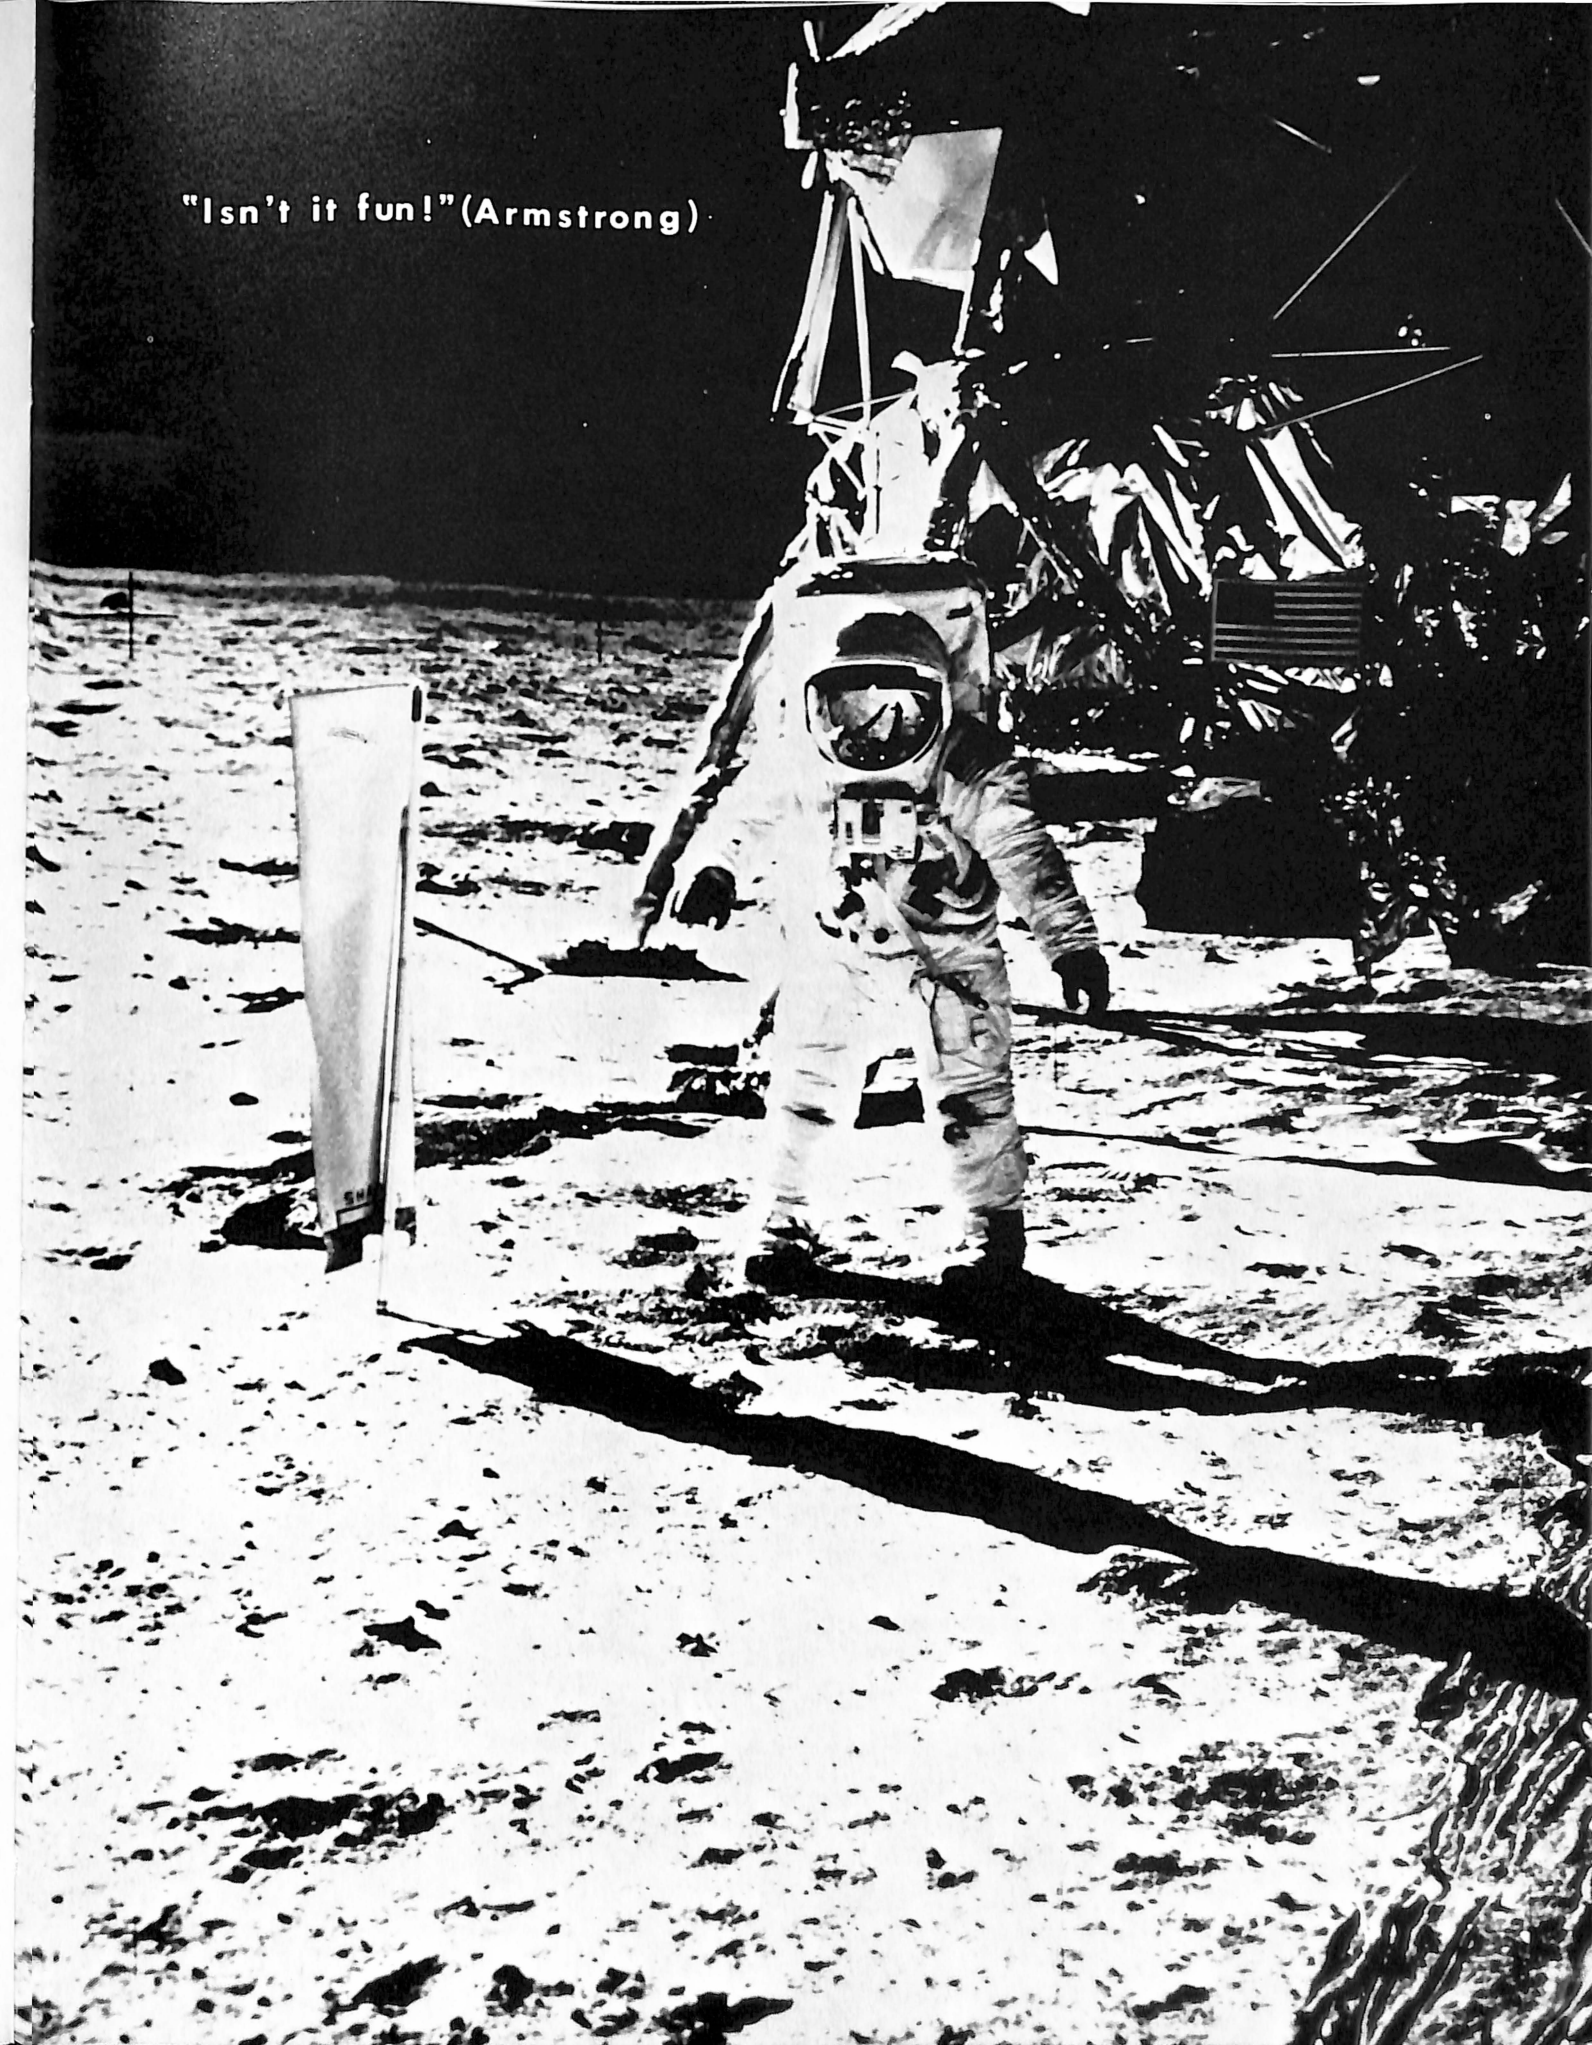

Under the guidance of Sister Carol Downing and Sister Cecilia Margaret, thirty-six of our girls gained prestige this year. Appearing on Hi-Society March 3, they showed the effort put into it by producing a pleasurable show. Barb Franks, our beloved Student Council President received a cheque for \$50 on behalf of our school.

Our girls also gave up their time to go to St. Patrick's Church, to be in a benefit show for the missions in Peru.

RETA MAUREEN BARR
"Full of pep, lots of fun,
a cheery smile for everyone"

Reta, as the manager of Snoopy House, is usually seen in Intramural sports, working on Scop, the Sweater Committee or on dance committees. Otherwise she's at the dinner table telling the kids of some of her harrowing experiences. Inclined towards summer vacation more than school tests, Reta plans to go for her B.A. with a Psychology major.

DENISE MERCEDES BARRON
"A pleasant smile and a little shy
But see that twinkle in her eye."

Denise's chief hang-ups are soap operas and getting up late for school. Her passion lies mainly in hockey and the guys that play that game. Presently in the U. N. Club, swimming and Weight Watchers, Denise plans to major in Sociology or Psychology at college next year. But we predict her debut in the cast of "As the Stomach Turns"

JUDI LYNN BELL
"What me? Break a leg?... A cartilage, maybe
but never a leg!"

Judi is destined to be an automatic elevator operator-- why ride them alone? Judi is a member of the Piper staff and the dance committee. In her spare time she picks up hairbrushes and mutilates her stuffed dog, Norman Dawson Wellington Borigarde Scarlet III. Judi plans to get her Bachelor of Science at Dalhousie University. Good Luck Judi!

SUE JANE BELL
"When people agree with me, I feel I must be wrong."

Sue is an active member in Dramatics and controversies. The rest of her time is spent training her horse. Hypochondriacs bother her to no end, horses and boys rate, but in what order????? Sue wants to get her Masters in Social Work but fate predicts that Sue will be a Veterinarian constantly taking animal allergy pills.

FRANCES ELAINE BIDGOOD
"An opportunist is a person who finding himself in hot water
Takes a bath."

Elaine, besides taking hot baths, is active in the Liturgical Committee, Y. C. S. and the Ski and Outing Club. Her pet peeve is loud people and she has a special fancy for Andy Williams' bear. Elaine plans to follow a career in Speech Therapy next year. All the best for you Elaine.

ALICE CLARE BOUDREAU
"She's just as good as the best of you
And just as bad as the rest of you."

Alice is a happy addition to I2A and works hard at keeping those attendance slips up to date in the office. On the Boarders' Council, she doesn't dig "groovers" (whatever they are). But blonde hair and lead singers are cool. Fate sees Frenchie working at the UN and forgetting "English". As an interpreter, you will get there, Alice.

PATRICIA ANNE BRADY
"A winning smile, a happy face
In our hearts, she's won a place."

Pat, the happy kid in the front seat, likes meeting people. She hates confusion and has the sole ambition to be able to smile- always. A judo sport, Pat just wants to idly travel around the world. Who knows, maybe Pat will be the first woman on Pluto.

MARIE CAMERON
"See no evil, speak no evil, hear no evil,
and you'll never write a best-selling novel."

Marie loves reading and, of course, writing as Scop's Editor-In-Chief. She is active making the School paper great (but hates organizing it). Marie hopes to be a travelling writer but we know that she will end up as a working writer instead.

CAROLYN MARIE CASWELL
"She's either just getting into trouble
or just getting out."

Carolyn's pet peeve is expecting mail and finding none. Besides business and her moral support through cheerleading, Carolyn is often engrossed in Pink Peppermints. Carolyn plans to become some young handsome bachelor's secretary in the future--happy hunting, Red! The best of luck.

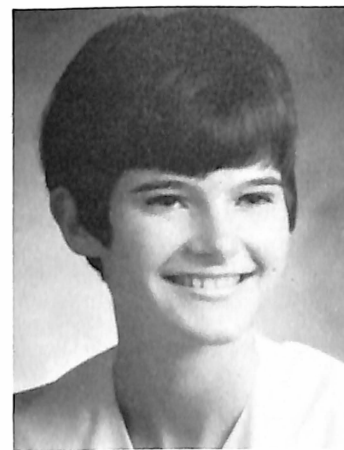

CLAIRE MARIE CHISHOLM
"Witty, happy and gay, she laughs and
dances and talks all day."

Claire can be seen in the business class talking during the day before the 3:10 bell, when the bell rings, watch out! Her chief loves are Bill and parties; her pet peeve is Sibi's baby talk. At present, an attractive clown, Claire hopes to become a professional secretary. Best in the future, Claire.

SYLVIA ANNE FRANCES CHOAT
 "Blessed is she who sits on a tack
 For she will achieve great heights."

Sylvia has a strong passion for "pink peppermints" and loves her hair cut short. A kooky kid, and a good friend, Sibi organized the Christmas play for Drama. She hates people calling her dumb because she does dumb things (it's all an act). Next year Sylvia will be taking her BA with a Psychology major plus theatre courses.

MARY GRACE DAVIS
 "She's nice and she's natural 'cause she's naturally nice"

Mary, a Supreme in her own right, gets very impatient when given a delicious bowl of soup and a fork. Her extra-curricular activities include Ski and Outing club, Scop, Intramural soccer and volleyball, Norman and food. Mary plans to become a Nurses' Assistant, and then what? Perhaps a Parisian guide????

LYNN CATHERINE CLARKE
 "Lead me not into temptation.
 Just leave me alone and I'll find it myself."

Lynn is an Interhouse sport, a Scop writer and a skirt hemmer on the sidelines. She loves clothes and holidays, and although she groans frequently from her back seat, you'll still find her plugging through her chemistry equations. Another determined redhead, Lynn plans to get her Bachelor of Science at Mount Saint Vincent University.

CATHERINE PATRICIA COADY
 "It is better to be small and shine
 Than to be tall and cast a shadow."

Cathy is active in the English club, Weight Watchers, Interhouse Sports, and on weekends enjoys her boss, Sixpence. Her pet peeve is mounting tall horses and subsequently she stretches a lot. Teaching is in Cathy's mind for the future but we know that she has a flourishing career as a jockey with a stable full of horses and three grooms. (Although we're sure she'll be satisfied with me!)

PATRICIA ANN CONNOLLY
 "Work fascinates me; I could sit and
 watch it for hours"

Pat is a patient person who puts up with the worst of us. After being Shelley's roommate for half a year, Pat pulled through successfully and unaffected. A YCS member, Pat's pet peeve is the Interval Dances, unless Russell is there. Perhaps we shall see Pat as Secretary (Private!) to Trudeau in the near future.

EVA MARLENE COURTNEY
 "Why take life seriously, you'll
 never get out alive."

Marlene is a happy-go-lucky girl who is willing to work after school on anything going. She is an inter-house sport, hates thinking of pet peeves for yearbooks (probably because she doesn't have any), and loves her gum boots. We hope to see Marlene next year as a secretary; she hopes to go on to Business College. The best of luck in the future, Marlene.

DEBORAH ELLEN GRACE EDWARDS
 "That look of innocence is only a jest,
 She's full of the devil like all the rest."

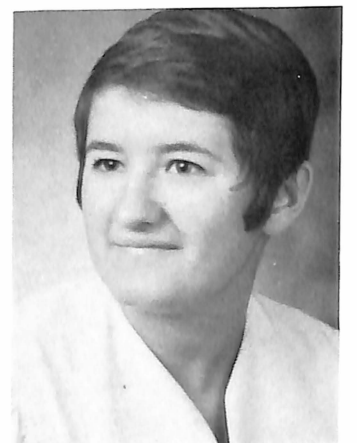

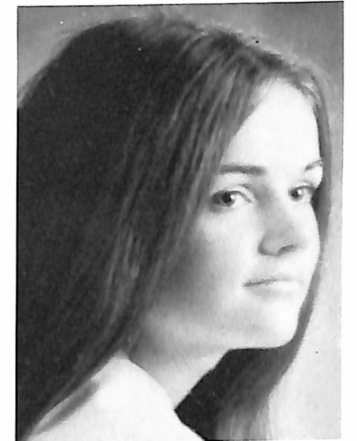

Debby is a classic example of one who hates climbing out of bed in the mornings. Her love lies at Saint Mary's University with one particular student. She is a mission representative, Field Hockey goalie and a guitarist and singer in her spare time. We hope to see Deb some time and someday as the Prime Minister's personal secretary.

ALICE ANN CATHERINE FOUGERE
 "Always a smile, never a pout
 That's our Alice without a doubt"

Alice hates waiting, I wonder why? Her one extra-curricular activity outside of Business is Wayne. No wonder Alice is so happy-- she is planning to get married in July, and live happily ever after. The best of luck in the future, Alice.

BARBARA LYNNE FRANKS
 "She is just what she is; what better report,
 A woman, a student, a friend and a sport."

Barb Franks! our leader! She loves everyone and hates apathy and olives. Not only is she our Student Council President, but she participates in the English Club, Reach for the Top Team and Interhouse sports. Barb is taking Honors French next year at Dalhousie University. Looking ahead, we hope to find Barb as Minister of Education or North American Ambassador to France. Best of Luck, Barb.

MARILYN ANN GIROUARD
"Sometime I sit and think, but usually I just sit. "

Marilyn is active in Scop and Piper, and thinking. (She occasionally tells us what she thinks.) She tends to support Lorne and Dominion stores more than IGA stores. Marilyn's ambition is to get her Bachelor of Science in Nursing before becoming chief labeller in an automatic canning factory.

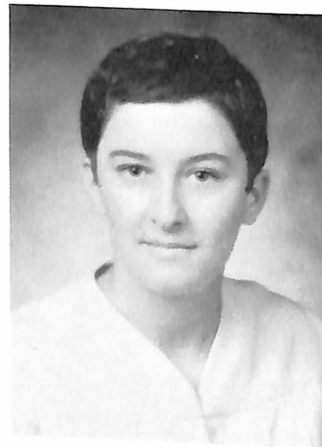

MARY DEIRDRE VALERIE HANIFEN
"Valerie, do you have trouble making decisions?"
"Well, yes and no..... "

Val is active in volleyball, field hockey, Scop, singing, talking, writing and trying to decide her future. Contrary to love sickness, and cat oriented, we hope to see Val someday as Editor of "Time" and Confidential advisor to Dr. Barnard. But good luck next year down at the Mount University, Val.

ANNE MARIE HARDMAN
"Inside school quiet and demure
Outside school we're not so sure. "

Anne doesn't like studying much, but her well stocked supply of pink peppermints keeps her contented during the long hours. She dreams of marrying a Frenchman, perhaps her business boss. Here's wishing you the best of luck in your chosen career, and keep wearing those Christmas beads around your neck.

SHELLEY ANN LAWRENCE
"Shelley is certainly responsible.
When anything goes wrong, She's responsible. "

Shelly is our able vice-pres. of the Student Council and she should know! She enjoys Mike, fighting with Joyce Burchell, but not as much as she loves Accounting. Her ambition is to drive down the main street of Boston during her lunch hours in her little MG. Good Luck, Shelley.

ILZE LUCIS
"Happiness is a country which has
no history. "

Ilze is involved in the Ski and Country Club, Interhouse volleyball, and Marty (who also happens to be her chief love.) However, she has a 'thing' about not being able to memorize History. Although she will not be nominated Head of the History Department at Dalhousie for an extended period of time, Ilze plans to go there next year and eventually to the Maritime School of Social work. The very best to you, Ilze.

PATRICIA MAUREEN MacLAINE
"Seriousness, wit, study, and fun.
She gets along with everyone. "

Pat wants to be a private secretary, perhaps to a certain R. S. A., of whom she is fairly fond at present. Pat doesn't like moody people, maybe because she herself is not too moody. The best of luck in the future, Patricia, and we all hope you achieve what you set out to get.

JOY ANNE MARIE MANNETTE
"That may be your idea but I have a
better one"

Joy may be appropriately called "the terror of Father Kingston's math class." She loves boys but hates having to wait around for them. In the English club, Reach for the Top, the U. N. Club and Scop, Joy hopes to become a teacher, but the stars predict she'll end up as a pencil sharpener in an "Ever Sharp" warehouse.

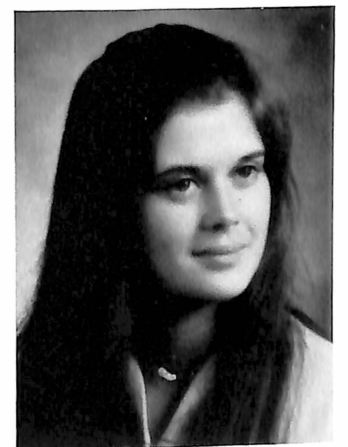

DEBORAH ANN McELMON
"..... as gentle as a falling tear... "

Debbie doesn't like loud, domineering people and finds Chestnut Street satisfying, especially taking walks with a certain resident on Chestnut Street. On the Piper staff, dance committee and a tennis player, Deb plans to get her Bachelor of Arts at Dal. or SMU, and in the summers be..... a ditch digger on Chestnut street.

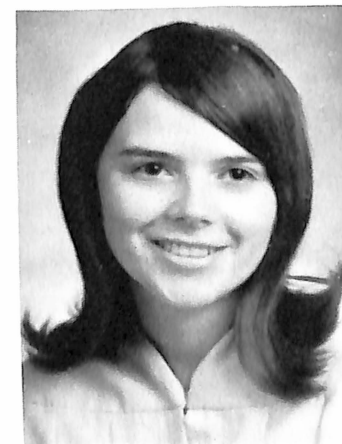

SUSAN ELIZABETH McGRATH
"Speak what you think, not what you
ought to say. "

Sue claims several activities some of which are school, contemplating managing Inspiration '70, and visiting the dentist. Her pet peeve is getting up early on Friday mornings only to find out it's Saturday. Sue lives for warm, clear, summer days and times when her buddy Rune P. Mussett stays home sick from school. We hope to see Sue as a perpetual student, majoring in History, down in California.

PATRICIA GAIL BARBARA MILLER
"Most great men are dead or dying
Funny--I don't feel too well myself! "

Gail gives inspiration with her guitar (12 string no less) and vocal chords, in choral and in the English Club. Otherwise occupied breaking guitar strings and picnicking with Don. Gail plans to attend Saint Mary's University next year, majoring in English. Good luck, Gail.

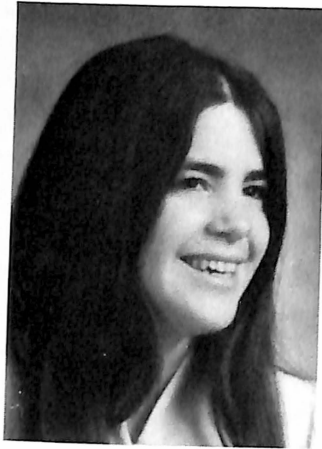

DIANNE LYNDA MOORE
"Sacred cows make great hamburgers. " -- Mom says.

Dianne, in trouble known as Lynda, likes walking barefoot in the rain. She is cheerleading manager, a member of the Boarder's Council, Scop, Gymnastics and the English Club and well as being 12-A's own class clown! "Moose" plans to be a journalist in the near future, but in the meantime good luck selling your "instant sayings" 'cause Mom said.

CATHERINE ANN MUNROE
"Sixty seconds in minute. . . . Let's see, how much trouble can I get into?"

Cathy is another lover of pink peppermints, but somehow she also finds time for the fiancé Bill, along with being 12B class President. Cathy plans to be married sometime in September and perhaps have 15 children, who knows? We all wish you the best possible life ahead.

RUNE PIETTE MUSSETT
"All the beautiful people in the world are giving out pictures of themselves. . . . Want a picture????

Rune is a wild one in Drama, Scop, the Glee Club, Ski Club, English Club and Sweater Committee (and anything else that will take her). Rune's pet peeve is falling to sleep in Algebra class and waking up in Trig. She frequents pecan pie, Volkswagens and men. Rune hopes to follow languages, next year she might be in Switzerland.

CATHY ELIZABETH NICHOLS
"Behind that innocent smile lurks a devil. "

Cathy has specific interests at Dalhousie and Acadia University when not in Choral and the Ski and Outing Club. Pickles doesn't think guys with beards are "really" cool but they are better than no guys at all. Cathy plans to follow a nursing career in Montreal next year. The best of luck, Cathy.

RHONDA LYNN OAKLEY
"They say all geni are conceited
That's funny. . . . I'm not. "

Rhonda is a Biology and Science Club member and the founder of Weight Watchers. During the weekends she is otherwise engaged in taking Wayne and Blue out for walks. Her pet peeve is people who worry -- why worry? Rhonda hopes to follow a Physiotherapy career at Dalhousie next year, although the Mount staff is reluctant to see her take her famous board-erasing skills.

SALLY MARION PALMER
"Parlez-vous Français?"

Sally loves skiing, especially with Bill, but she dreads the thought that the rains will soon come and wash the slopes down. Her activities include Scop, the Missions, Biology, English and Ski and Outing Clubs. Sally questions all theory and fact, she hopes to become a doctor and we hope she gets the Nobel Prize for her efforts combating pollution.

MARGUERITE ANNE PARKER
"She came, she saw, she left, she came back. "

Margot has taken to impersonations-her latest movement was the Tom Jones Crusade of the Inspiration '70 (Eat your heart out Tom). Everybody's pal and a witty individual, Margot is kept busy with her fan mail, volleyball and the rocking chair. Meg plans to be a government translator. (which side? which Government?) Good luck.

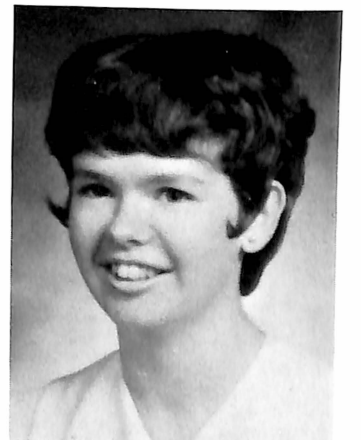

CATHERINE LYNN PATERSON
"If you want to make a job seem hard,
just keep putting it off. "

Cathy is Captain of Shroeder House, 12A class Pres., and a Scop writer. Her two chief loves are Doug and Dancing. As a Miss Manners Princess, Cathy still practices exits from two-door cars. We hope to see Cathy as a Social Worker, putting things off instead of putting them on.

MARGO ANN PEARCE
"Give the devil his due. "

Mergo is a noble scatterbrain; things just happen to her. (really!) She draws for Scop and the Piper, is the current 12A highwayman and sings and talks and laughs her life away. Margo loves the state of happiness, but loathes prunes, "jellybellies", and organization. She hopes to study the human mind in detail. Her future lies in the medical field (or maybe an art course).

LINDA PEREIRA
"Never waste all that energy resisting temptation. "

Linda's pet peeve is teenie boppers; her chief interests are YCS, bugging Sister Laura, and gorgeous bosses. Someday Linda plans to marry that borgeous boss, but until then she'll be satisfied being his private secretary. Good luck in the future, Linda.

KATHLEEN PATRICIA REEVES
 "Her cheerful laughter fills the air
 And drives her classmates to despair. "

Kathy digs french fries and Ray, loathes moustaches and is a lifetime member of "Smiles Anonymous". On the Piper staff, Cathy plans to teach. Heaven help the students! We have such high aspirations as to see her as a window-washer in an air raid shelter. Best of luck, Kathy.

DUNIA MARCELA REYES
 "It matters not how long we live, but how. "

Dunia hails from the Honduras, and talks in her sleep in Spanish during those awful out weekends. Leader of the Liturgical Committee, Dunia is also manager of the Basketball team and hopes to obtain her Secretarial Degree in Florida. The luck to you Dunia, and don't forget us.

MARTA MARION SLEEP
 "She wears a halo but her horns get in the way. "

Marta's pet peeve is school, (I don't believe it!) and her chief love is the boy down the road. Marta hopes to work next year if the business world will have her. (With such a smile, who could resist?) But we predict marriage to the boy down the road. In whatever field you choose, good luck.

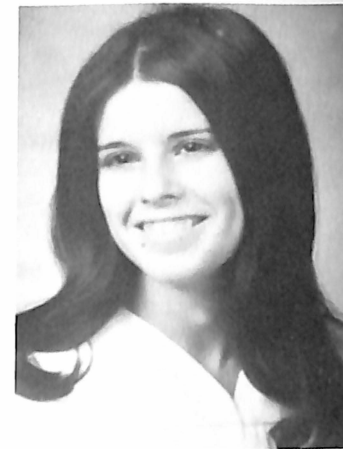

JEAN MARGUERITE TAYLOR
 "The hardest thing of all is trying
 to look busy when you're not"

Jean can force herself any day to put aside her beloved work for the dog. During school Jean appears very quiet; after school, though, she's just as bad as the rest of us. Perhaps we'll see her someday acting on the late, late show, but until then Jean plans to attend Teachers' College in Truro.

SUZANNE THERESE WALLACE
 "Sleep, you charm me. A few minutes
 more will never harm me. "

Suzanne likes long weekends because she doesn't have to wake up and remember it's a school day. She may be seen with Alice down at the canteen indulging or with her nose in a book worrying about some test. Suzanne plans to go to Dalhousie next year for her BA. The best of luck, Sue.

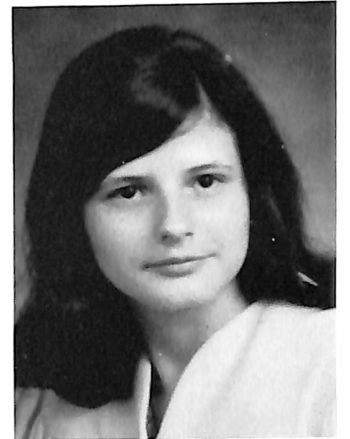

KAREN FRANCES WATSON
 "When she was good, she was very good,
 When she was bad, she was caught. "

Karen, stay away from those fattening foods; instead, think of blue skies and wild flowers! Karen was chairman of the dance committee, and member of the Biology club, the Piper staff, and the UN club, and a class officer. She plans to take the Bachelor of Science at SMU but will be content with just a bachelor. Good Luck Karen.

PENNY MARIE WINCHESTER
 "I don't believe in love at first sight,
 But I do believe in taking a second look. "

Penny is not only the very capable editor of the Piper yearbook, she also manages the basketball team. She frequently displaces her kneecap and eats to make it feel better. Penny hopes to follow some aspect of the secretarial field next year. Best of Luck, Penny.

CROSS COUNTRY
SKIERS

These girls, under the able leadership of Miss d' Entremont, the coach, put on a fine demonstration in March and Linda Rowe got into the Halifax Gymnastics Competition. She placed eighth out of twenty-five competitors.

Cross Country Running

Suzanne Akerley
Mary Beth Todd
Joan Prosper
Miss Freda Wales
Mary Frances MacIntyre

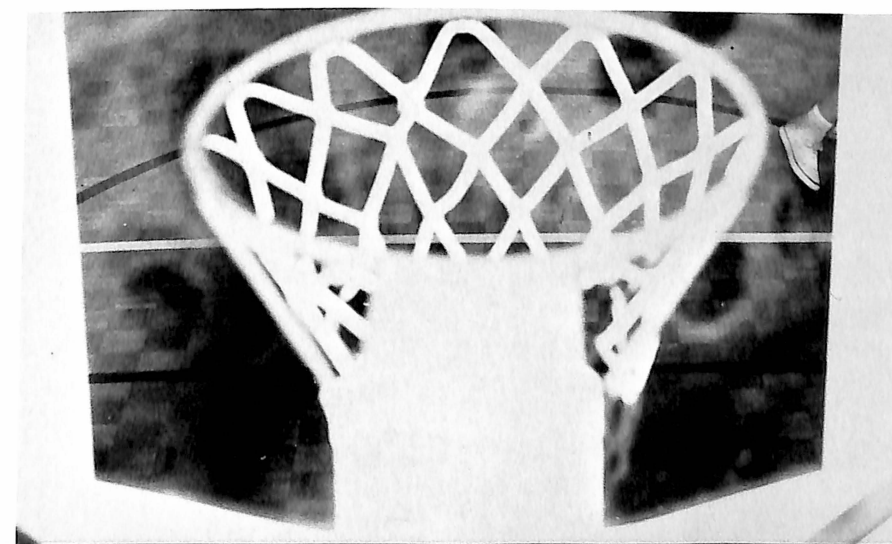

Appearing in our Cross Country Team this year are Suzanne Akerley, Mary Beth Todd, Joan Prosper, and Mary Frances MacIntyre. With them is their able coach, Miss Freda Wales, who always seems to manage to pull them through. Our girls comprise a very lively group, and a very good example of this is when they ran around in the mud of Point Pleasant Park. The result of this excursion was a group of tired girls and a lot of muddy shoes.

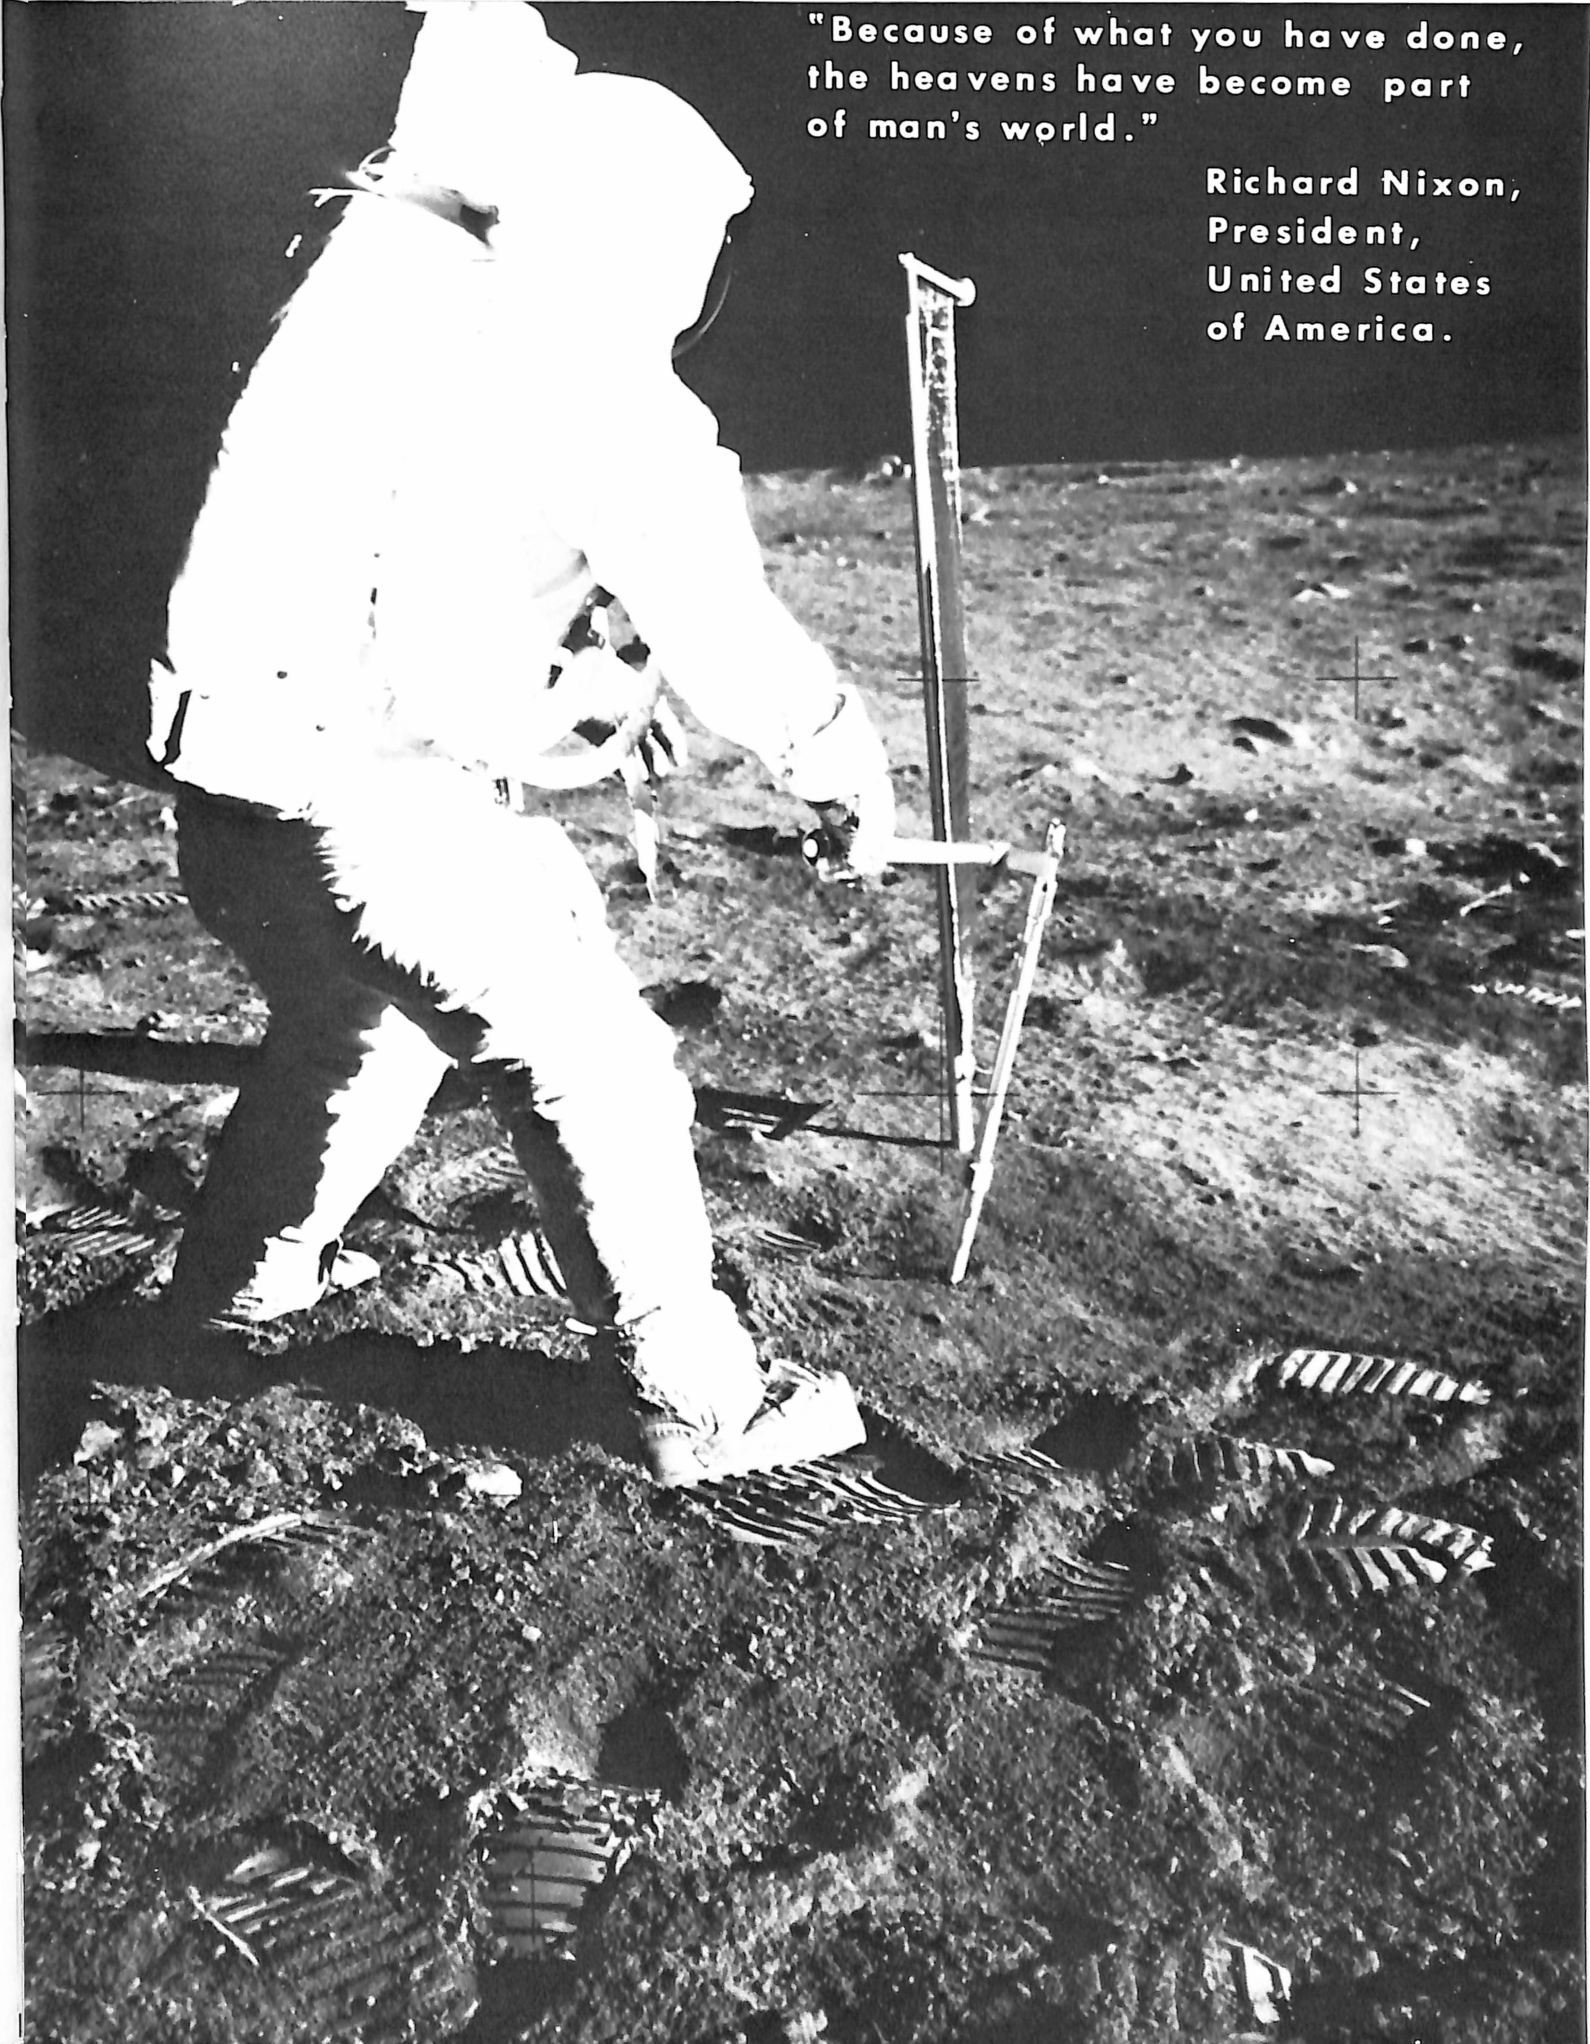

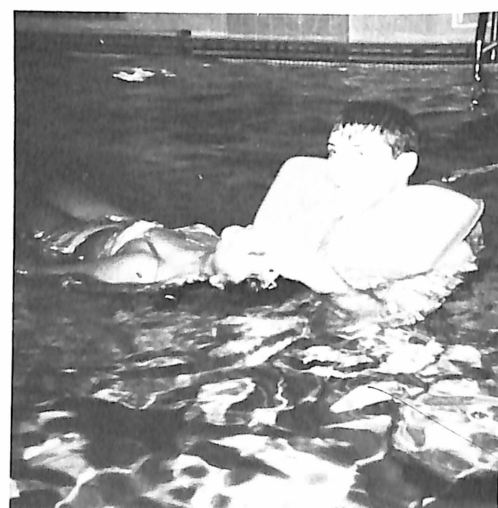

Cheerleaders

BACK ROW: Dianne Moore, Y. Gremell, R. Sheffman, W. LeMessurier, S. Akerley, A. Fineburg, S. Harcourt, J. Hopgood, B. Boucher, D. Walker, J. Taylor.

Though they started late in the year, the cheerleaders worked hard at all the practices to perfect their cheers. Under the instruction of Dianne Moore the girls all worked together to make the old cheers better and to make new cheers to support our team all the way to the top.
